

OPTIMIST CLUB BLOOD DRIVE

9 P.M. TO 2 P.M. SATURDAY, AUGUST 14TH

We have partnered with The Blood Connection and are hosting our second blood drive Saturday, August 14th at our Optimist Farm Lodge, located south of Raleigh at 2908 Optimist Farm Road in Apex. The Blood Connection provides the life-saving blood needed by hospitals across North Carolina and South Carolina; however, due to the COVID-19 pandemic, there has been a shortage of blood donations!

We want to encourage everyone to consider making a blood donation and encouraging others to do the same. Not only will your donations help save lives, they will also help support* youth activities at our beautiful Optimist Farm.

Scheduling a donation online is very simple: [To make your reservation \(click here\)](#). This will take you to The Blood Connection signup page where you can pick from the available time slots. Donors will also learn the results of the COVID-19 antibody test that is performed.

**The blood supply is now extremely low now! The Blood Connection will
down give blood donors a \$25.00 Gift Certificate in addition to the
donation noted below!!! Please consider signing up now!**

** Note: The Blood Connection makes a donations to our 501(c)(3) for each pint of donated blood. Our 501(c)(3) is dedicated to supporting youth sports and other youth activities at our 70 acre Optimist Farm.*
